

Leaving a Bequest in Your Will

Leaving a bequest in your will is one of the most common forms of a planned gift. Bequests are also one of the easiest planned gifts to create. Leaving a bequest to Yampatika is as simple as adding the following language to your will.

“I, [your name], of [city, state, zip], give, devise and bequeath to Yampatika [written amount or percentage of the estate or description of the property] for its unrestricted use and purpose.”

The language above is a guide. Your own financial advisor may have his/her own language for you to use. If you have already designated Yampatika in your will, please let us know so we may add you to our Legacy Path Society.

For more information or to tell us about your gift, contact Executive Director, Joe Haines, at 970-871-9151 or at joe@yampatika.org.
