

BLUES BREAK CAMP 2022

FEB. 21-24

SERVING AGES 9-11

TUES.-FRI. 8:30-4:30

Kids are invited for some fun in the snow and science exploration with our qualified Naturalists!

CRAZY SNOWY FUN

Each day we will be exploring the wintery world around us! We will be going on snowshoe adventures, building snow shelters, looking at snowflakes, and much more! The majority of our time will be spent outside so it is important that each day campers come ready to be outside and in the snow! Each day campers should make sure to bring a lunch, snacks, and plenty of layers! Space is limited so if you are interested make sure to visit our website and register soon!

**Registration will open mid-December. Sign up early to reserve your spot!
Need Based Scholarships are available.**

Please contact us if you have any questions!
